Perth College Training Salon is an opportunity for students to gain experience and confidence in a real salon environment. Our student therapists work under the full supervision of our highly qualified staff.

- Clients should accept that students are in training. Students will be assessed by their trainer during the service. Trainers will intervene and assist students as necessary. Trainers may ask students questions on the treatment during the service. Service delivery times will be longer than beauty salons.
- We are unable to accommodate children in the training salon whilst clients are having treatments.
- You must have an allergy test 24 hours prior to a tinting service.
- Consultation and disclaimer forms must be completed before service. Clients must be 16years or older
- If a student is absent it may be necessary to re-schedule your appointment.
- As our students are in a learning situation we ask you to be patient if asked to wait or if your treatment over-runs.
- Not all treatments will be available on all days.
- Due to the nature of the treatment room and age of students the salon is female only. Exemption order in place.
- No refund will be given for courses where the client cancels or does not attend.

Opening Hours:

Mon to Fri 10am to 3:30pm (Some Saturdays & Evenings)
