

1. Purpose:

International students who are currently enrolled with another Provider in Australia and are requesting to enrol to another Provider are generally categorised as 'Transfer Students'. For this purpose, these students need to be released by their current Provider by means of providing a 'Release letter' unless the student has finished six (6) months in their Principal Course of Study.

This policy ensures that **Perth College of Beauty Therapy** does not enrol any transferring international student prior to the completion of 6 months of their principal course unless that student has a valid letter of release agreeing to such a transfer.

Policy Statement:

The **Perth College of Beauty Therapy** will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the completion of six months of their principal course of study except where:

- a. The original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered;
- b. The original registered provider has provided a written letter of release;
- c. The original registered provider has had a sanction imposed on its registration by the Australian Government or state or territory government that prevents the student from continuing his or her principal course; or
- d. Any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

After completing six calendar months of the principal course, an overseas student can transfer without needing to meet one of these conditions.

All applications from current **Perth College of Beauty Therapy** students to transfer provider will be assessed in a timely manner and as per procedure outlined below.

Scope:

This policy applies to:

- International students enrolled at **Perth College of Beauty Therapy**
- **Perth College of Beauty Therapy** Marketing, Admissions, Academic, Student Services and Administrative staff.

All staff are made aware of the requirements of this policy through regular meetings, Staff induction, staff updates and continuous improvement practices. Students are made aware of the transfer requirements through Student Handbook, during the enrolment and orientation processes and also throughout the course.

- **Incoming student:** Any student who is currently enrolled with another education provider and is willing to transfer their studies at **Perth College of Beauty Therapy**.
- **Outgoing students:** Any student who is currently studying with **Perth College of Beauty Therapy** and is willing to transfer his/her studies from **Perth College of Beauty Therapy** to another provider.

2. PROCEDURES:

2.1 Incoming students

The following procedure is relevant to any student who applies for a course within the **Perth College of Beauty Therapy** scope of registration and is currently studying on-shore with another registered provider.

For this procedure to be completed, the applicant must provide a copy of their Student Visa and COE number from previous provider to search for student's personal details into PRISMS. Once this information is obtained the following steps are taken:

- I. Campus Manager accesses the student personal details via PRISMS.
- II. Using the copies for COE / Offer letter from student's current education provider, Campus Manager will ascertain if the length of studies completed in their current principal course of study is greater than 6 months. They may also request the copy of the student visa & the passport to ascertain student's arrival date to Australia.
- III. In completing this process a copy of the PRISMS record will be printed and will be attached to the student's application.
- IV. If they have completed more than 6 months of their principal course of study, the application process will be finalised as per **Perth College of Beauty Therapy's** policies.
- V. Where a student has **NOT** completed 6 months of their principal course of study, they will be advised to provide an appropriate letter of release from their current education provider unless any of the conditions (a-d) as listed under policy statement are applicable.
- VI. To support with the release letter application, student may be provided with a 'Conditional' Letter of Offer (Appendix A) which clearly states that an offer of a place is contingent on applicant obtaining a letter of release.

Note: Where a student is in receipt of a Government scholarship, he/she should provide written support from the government agreeing to the change which will stand in lieu of any letter of release.

- VII. If such a letter of release is received and the student has no outstanding fees to be paid to the prior institution or other outstanding matters of concern, the application will be finalised as per **Perth College of Beauty Therapy's** policies.

- VIII. If satisfactory letter of release is not obtained from such students, the application process will be halted and the student will be informed that they are unable to transfer at this time. They are welcome to re-activate their application when the six month period into the principal course of study is passed.

2.2 The National Code 2018 restricts the capacity of students to transfer to other providers prior to completing six months of their principal course. **Perth College of Beauty Therapy** will not allow students to transfer to another provider within six months of the commencement of their principal course of study in circumstances where the transfer would be detrimental to the study plan as detailed in their application.

Circumstances that are considered detrimental to a student's study plan could be but are not limited to:

- Change in Study Plan
- Transfer to a lower level of studies
- Increased tuition costs, particularly in cases where deposits paid in advance to **Perth College of Beauty Therapy** are non-refundable
- Increased duration of studies in Australia
- Insufficient preparation for further studies
- Qualifications not recognised by Higher Education Providers as satisfying their entry requirements
- Level of support services at new provider are not equivalent to **Perth College of Beauty Therapy's** support services
- Transfer would jeopardise student's progression through a package of courses
- Within 6 months of a course beginning students may experience homesickness and transfer to another registered provider is not likely to overcome this problem
- Where **Perth College of Beauty Therapy** is of the view that the student is avoiding being reported to Department of Education and Training and Department of Home Affairs (DHA) via PRISMS as a result of failure to meet academic progress requirements

Any requests that are received in relation to a student wishing to transfer education providers shall be the responsibility of the Campus Manager. The Campus Manager shall assess the applications to transfer education providers and conclude an outcome based on the following procedure.

Perth College of Beauty Therapy will approve a Release request when the transfer is in the student's best interests if:

1. A course is academically unsuitable for a student, e.g. where a student is better suited to a different learning environment or the course does not meet his or her educational or developmental needs or the student is unable to achieve satisfactory course progress at the level they are studying;
2. The course as outlined in the written agreement has not been delivered;
3. The student provides evidence that his or her reasonable expectations about the course are not being met;
4. The student provides evidence of being misled by Perth College of Beauty Therapy or Perth College of Beauty Therapy education or migration agent regarding the provider or the course and the course is therefore unsuitable;
5. An appeal on another matter results in a recommendation or decision to release the student;
or

6. Compassionate or compelling reasons for the transfer exist.

As required by ESOS National Code 2018, Standard 7, before the Release approval is given:

1. The student must present a valid letter of offer of enrolment with the receiving provider; and
2. If the student is under the age of 18, written evidence is required that:
 - ✓ The student's parent or legal guardian supports the transfer; and
 - ✓ The receiving provider must confirm it accepts responsibility for approving a student's accommodation, support and general welfare.

Refusal of release approval

In accordance with ESOS Act and National Code 2018, Perth College of Beauty Therapy will refuse Release approval and inform the student in writing of the reasons for the refusal when the transfer does not satisfy the student's best interests as set out in this policy.

In addition, grounds for refusal also include when:

- ✓ A student has unpaid course fees for the current study period;
- ✓ A transfer would jeopardize a student's progress through a package of courses; or
- ✓ A student requires or has access to particular support services that will not be delivered by the receiving provider or accessible by the student following the transfer.
