The aim of Perth College of Beauty Therapy's access and equity policy is to promote full and equal participation of all students and staff, and to foster an environment free of discrimination and harassment. Perth College of Beauty Therapy is committed to ensuring equal opportunity for all.

Perth College of Beauty Therapy's access and equity principles:

4.0 ACCOMMODATION

Accommodation will vary according to your needs, budget, and where you wish to live. Perth has many options for students including homestay, shared accommodation, serviced apartments and private leasing (rental). Many of these accommodation options are available close to the college or with direct public transport access to the college.

Rental

You can rent or 'lease' a property by yourself or with friends. This can be done through a real estate agent or privately. When renting a property you will need to pay a security deposit or 'bond' (which is usually four weeks rent), as well as rent in advance (also usually four weeks). The bond is held to repair any damage that you, your house mates or house guests cause to the property while renting. Some, or all, of this amount may be refunded to you once your tenancy agreement has terminated.

For more information on your rights and obligations when renting in Western Australia you should contact the Department of Mines, Industry Regulation on Safety
<https://www.commerce.wa.gov.au/consumer-protection/renting-home>.

Homestay

With homestay, you will live with a family in their home. Homestay can be a good option for younger students as you will have all the comforts of an established home, often with meals and cleaning included. Families offering homestay accommodation to international students are thoroughly screened to ensure they can provide a suitable living environment for students.

Legal protection

You have certain responsibilities to meet when it comes to paying accommodation expenses on time, cleaning and maintenance. You also have the right by law to feel secure in your property, maintained with working facilities. If there are any problems with your accommodation, talk to your agent or landlord (if renting) or the service where you found your homestay.

There are also organisations such as tenants unions and consumer advocates that can provide assistance. To find out more please contact the Student Services Team.

Estimated costs for accommodation in Perth are as follows:

- Share Accommodation – approx. \$95 to \$215 per week
- Rental Accommodation – approx. \$185 to \$440 per week
- Homestay – approx. \$235 to \$325 per week
- Hostels and Guesthouses – approx. \$90 to \$150 per week

Students should make enquiries and arrangements for accommodation prior to arriving in Australia.

5.0 ADDRESS AND CONTACT DETAILS

8.0 ASSESSMENT

Assessment is the means by which we determine whether or not a competency has been achieved. It is the process of collecting evidence and making judgements about the extent to which a person demonstrates the knowledge and skills as set out in the standards or learning outcomes of a unit of competency. For an effective assessment system in a competency environment, some basic principles must apply.

Underlying principles of assessment:

- a) **Valid:** The assessments actually assess what they claim to assess and what they have been designed to assess. Validity of assessment is when:
 - Assessors are fully aware of what is to be assessed, as indicated by the standards of competence, including clearly defined performance criteria;
 - Appropriate evidence is collected from activities that can be clearly related to the units of competency.
- b) **Reliable:** Individual learners would get a similar result if tested on different occasions, given the same set of circumstances
- c) **Flexible:** The assessment instrument can be adapted to suit work needs and site needs
- d) **Fair:** Assessment instruments are fair when:
 - 1. The Instrument is non discriminatory and inclusive
 - 2. The Instrument can be reasonably adjusted
 - 3. Language, literacy, numeracy requirements are appropriate for the competency level

Underlying rules of evidence:

- a) **Valid:** Validity means the instrument covers the knowledge and skills that are essential to competent performance as set out in the unit of competency.
- b) **Sufficient:** The instrument allows for the collection of sufficient quality and quantity of evidence – as set out in the Critical aspects of evidence for the unit of competency.
- c) **Authentic:** The instrument allows an assessor to be assured that the evidence presented for assessment is the candidate's own work.
- d) **Current:** The instrument allows enough current evidence to be collected to make a decision of competent/not yet competent.

Your program of study may include a combination of any of the following assessment tasks:

- **Demonstration:** Any practical display that happens off-the-job including role-play, simulation and performance of a skill.
- **Knowledge test:** Multiple choice questions, short answer or essay, usually under supervised and/or timed conditions. May be written, oral or open-book.
- **Interview:** Interviews may be conducted face-to-face, by telephone or web conference.
- **Presentation:** Oral presentations may be made to an audience during a workshop or on video. Differs from demonstration as not actually demonstrating a skill.
- **Project:** A series of tasks to be completed to produce a specific definable outcome. The outcome is known as the deliverable. Once the outcome has been delivered the project is finished.
- **Report:** A report provides information about something that has happened. Usually done in the candidate's own time and submitted for assessment. A reflective journal is a type of report.
- **Documents:** A candidate may be asked to present previously completed documents as evidence. A supervisor's verification is also a document.
- **Workbook:** Completion of the assessment activities in the student's workbook. Assessment activities may relate to questions assessing knowledge, demonstration of skills, case studies and practical activities which become part of formative assessment and are collected over a period of time.

Your Training Officer will provide you with the full details of the assessment tasks for each unit of competency in your program and will let you know when each assessment task is due and the required acceptable standard.

Note that the College's Assessment, Reassessment and Repeating Units of Competency Guidelines Policy applies to all assessment tasks. The College will go through this policy with you at Orientation and is available from your Training Officer or Reception.

These tell us the skills and knowledge recognised as necessary to perform effectively in a particular area of work, work function, activity or process. Each industry area divides these skills and knowledge into related categories that form Competency Standards for specific industry areas.

The Competency Standards provide a framework for training and assessment and tell us what skills and knowledge an employee at a particular level within a particular industry should be reasonably expected to have.

So a competency is: ... "The ability to perform in a discrete area of work, work function, activity or process to the required level of performance expected in the workplace."

Our assessments are based on confirming if you have the skills, knowledge and to perform a job.

27.0 CREDIT TRANSFER AND RECOGNITION OF PRIOR LEARNING

Purpose:

Perth College of Beauty Therapy accepts and provides credit to learners for units of competency and/or modules (unless licensing or regulatory requirements prevent this) where these are evidenced by:

- a) AQF certification documentation issued by any other RTO or AQF authorised issuing organisation; or
- b) authenticated VET transcripts issued by the Registrar.

The purpose of this policy is to facilitate a process for **Perth College of Beauty Therapy** to recognise AQF and VET qualifications and VET statements of attainment issued by any other RTO. The student can apply for the course credit/s at the time of enrolment. **Perth College of Beauty Therapy** will process and give the student a record of the course credit/s. Course credit/s may lead to a shortening of a student's course duration.

Scope:

This policy applies to:

- Students enrolled at **Perth College of Beauty Therapy**
- **Perth College of Beauty Therapy** Marketing, Admissions, Academic, Student Services and Administrative staff.

All staff are made aware of the requirements of this policy through regular meetings, staff updates and continuous improvement practices. Students are made aware of this policy through Student Handbook, during the enrolment and orientation processes and also throughout the course.

Requirement:

- Students must attach the certified copies of relevant documents with their application, and attach it to the Credit Transfer Form. Alternatively, students can bring their original documents to the college, which will be copied and signed as sighted. Only completed applications will be processed.
- Examples of documents that may be required include but are not limited to:
 - Verified transcript(s) of past academic record(s) indicating the course(s) completed, year completed and grade obtained (including details of the grading system)
 - Supporting documentation must be a certified copy and translated in English if applicable;
 - A copy of the course description, including the syllabus or handbook outline; and
 - Any other information required by the Campus Manager
- **Perth College of Beauty Therapy** endeavours to complete the application assessment process within 14 working days of receiving an application or as

soon as practical.

- Records of all course credit applications and the outcome will be placed in the student's file.

Procedures:

- 1) All students are made aware of their opportunity to applying for course credits using a "Credit Transfer form". This is also supported by the information provided in the *'Student Handbook'*.
- 2) Students who have completed a Nationally Recognised qualification/unit that have the exact same code as a unit currently enrolled will be eligible for credit transfer for the unit(s).
- 3) The student must provide the original certificate to be sighted by College staff or certified copies of the original document to verify the Credit Transfer and attach to the Credit Transfer Form.
- 4) Once the complete application is received by student administration, a copy is made and is placed in the student's file. **Perth College of Beauty Therapy** shall not keep original certificates at any time.
- 5) The application is then forwarded to the relevant Course Coordinator for assessment and outcomes determination. Where the student provides USI transcript for Course Credit, Perth College of Beauty Therapy Course Coordinator will still exercise caution when using a student's USI transcript to validate training achievements for purposes of granting credit:
 - a. Exercise the same caution with printed or emailed PDF versions of a USI transcript provided by a student as Perth College of Beauty Therapy would with hard-copy certificates issued by RTOs.
 - b. The version accessible online directly by RTOs provides a stronger level of assurance, suitable for credit transfer purposes.
 - c. Always contact the organisation that delivered the training if **Perth College of Beauty Therapy** have any reason to be concerned about the authenticity of the credentials presented.
 - d. Advise the USI Office if **Perth College of Beauty Therapy** become aware of any fraudulent activity in relation to a USI transcript.
 - e. As the availability of the USI transcript is dependent on the AVETMISS reporting cycle, **Perth College of Beauty Therapy** may

have to rely on the hard copy of certificates issued by RTOs to validate training undertaken recently.

- 6) Once the assessment is made, the Course Coordinator informs the student administration department of the outcome. The outcome is noted on the *Credit Transfer Form*. A copy of this document is then forwarded to the student.
- 7) Where the student accepts the outcome and course duration is reduced as a result of course credits, the Campus Manager will make relevant variations in the student's COE via PRISMS.
- 8) Students who are not satisfied with the outcome of their application can appeal the decision using the procedure as detailed in **Perth College of Beauty Therapy's** Complaints / Appeals policy and procedures.

35.0 EDUCATION IN AUSTRALIA – THE ESOS FRAMEWORK

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code 2018.

Protection for overseas students

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.education.gov.au>. CRICOS registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students.

Please check carefully that the details of your course, including its location, match the information on CRICOS.

Your rights

The ESOS framework protects your rights, including:

- your right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from your provider and your provider's agent. If you are under 18, to ensure your safety, you will be granted a visa only if there are arrangements in place for your accommodation, support and welfare.
- your right to sign a written agreement with your provider before or as you pay fees, setting out the services to be provided, fees payable and information about refunds of course money. You should keep a copy of your written agreement.

The Tuition Protection Service (TPS) is a placement and refund service for international students, which is activated in the event that your provider is unable to teach your course. Visit the TPS website for more information, at www.tps.gov.au.

The ESOS framework sets out the standards Australian providers offering education and training services to overseas students must meet. These standards cover a range of information you have a right to know and services that must be offered to you, including:

- orientation and access to support services to help you study and adjust to life in Australia
- who the contact officer or officers is for overseas students
- if you can apply for course credit
- when your enrolment can be deferred, suspended or cancelled
- what your provider's requirements are for satisfactory progress in the courses you study and what support is available if you are not progressing well

- if attendance will be monitored for your course
- a complaints and appeals process.

One of the standards does not allow another provider to enrol a student who wants to transfer to another course but who has not completed six months of the final course of study in Australia. If you want to transfer before you have completed six months of your final course you need your provider's permission.

Your responsibilities

As an overseas student on a student visa, you have responsibilities to:

- satisfy your student visa conditions
- maintain your Overseas Student Health Cover (OSHC) for the period of your stay
- meet the terms of the written agreement with your education provider
- inform your provider if you change your address
- maintain satisfactory course progress
- if attendance is recorded for your course, follow your provider's attendance policy, and
- if you are under 18, maintain your approved accommodation, support and general welfare arrangements.

46.0 LIVING IN AUSTRALIA

Perth is the Capital of Western Australia and has a population of approximately 2 million people. It is famous for being surrounded by Australian nature: the Indian Ocean on one side and the Australian outback on the other. It is widely regarded as the “Education City” of Australia, and students who study in Perth know that they are receiving the very best education that Australia can offer. What else does Perth have to offer international students?

Living in Perth

Perth has one of the lowest costs of living of all Australian cities. It has an efficient public transportation system as well as inexpensive accommodation options and food. International students who choose to study in Perth will study in a cosmopolitan environment at a lower cost than they would pay to study elsewhere in Australia.

Attractions in Perth

Thousands of tourists are drawn to Perth’s characteristic landscapes and unique plants and animals each year. In Perth, you can swim with dolphins, go whale watching, watch coral spawning, explore prehistoric caves, and walk in the treetops of an ancient forest. Students will have no shortage of things to do.

Perth is the region’s hub for music, theatre, film, and art, and hosts the latest shows, festivals, and exhibitions from around the world. The many different cultures and traditions that make up Perth’s society lend its art a distinctive depth and diversity. The Indigenous Australian art draws on thousands of years of history of the world’s oldest living culture. During the summer, Perth hosts multiple festivals, outdoor cinemas, and live music under the stars. Perth is full of live music venues, and many hosts arts, film, and comedy festivals year-round. International students studying in Perth can find any number of entertainment options available to them, no matter what their budget.

Also located in Perth is the Sawn River, culturally important to the local Aboriginal people. It runs through the city and is lined with parks for visitors to enjoy picnics, play in the water, and enjoy being outside. Kings Park, one of the most popular attractions in Perth, contains the State War Memorial, walks, native plants, Botanic Gardens, playgrounds, and some of the best views of the city. It is located directly behind St. George’s College.

Perth is known as the Sunset Coast, and its beaches are some of the best in Australia. International students who study in Perth will have access to crystal clear water, as well as good surf spots, if they want to try their hand at surfing.

If you're thinking of studying in Australia you will need to know what it will cost to support yourself. Obvious things that come to mind are accommodation, food, clothes, child-care and entertainment. Below is guide on financial requirements for international students studying in Australia for each academic year (does not include course tuition fees, Overseas Student Health Cover, travel/incidentals), however this can vary widely depending on your lifestyle:

You	\$24,505
Partner or spouse	\$8,574
Child	\$3,670

International students wishing to bring their spouse and school aged dependents should ensure they plan for living expenses for each additional family member. In addition, students will be required to pay the full schooling tuition fees of his/her school-aged dependent children.

Initial establishment costs for a shared apartment, such as rental bond for accommodation, electricity, gas and telephone, could add up to more than \$1,760. In addition, there are the costs associated with staying in touch with home. There are internet cafes located throughout the CBD which cost around AU\$5.00 per hour as well as free WIFI in popular areas such as McDonald's and Starbucks. The cheapest way to phone overseas is using phone apps such as Skype, Facebook or Viber or via a phone card. Phone cards can be purchased at newsagents and convenience stores. Different phone cards will have different rates so make sure different cards are compared to see which is the cheapest for your country. Students requiring a mobile phone, can get packages starting from around AU\$15.00 a month plus call costs for a two year contract. You can also buy a pre-paid mobile phone for about AU\$100.00. Note that calls made from mobile phones to overseas can add up to be very expensive.

To post a letter overseas the cost is between AU\$1.75 to AU\$2.60 through Australia Post. Parcels and freight are a lot more expensive and the cost will depend on how much you are sending and where it is going.

Education Costs

Australian education tuition fees for international students are very competitive with other countries. All tuition fees for international students who study in Australia are exempt from GST and are charged up-front, with some institutions making additional charges to cover other associated costs like mandatory student workbooks, sports facilities, laboratory costs, student organisation membership, and library fees.

English Language Courses

The costs of English Language courses vary greatly depending on the duration and level of the English course. English language courses vary in duration and intensity, and can cost as little as a few hundred dollars for a two week short course to A\$3,500 for a half year semester or up to A\$14,500 for a full year university preparation English course.

Vocational Education and Training (VET) Course Costs

Prices for vocational education courses in Australia can vary between A\$3,000.00 and A\$70,000.00 depending on the course, duration and whether the qualification is a certificate, diploma or advanced diploma. For example, learning to fly is far more expensive than any course that is largely classroom based.

The length of courses can also vary greatly depending on the type of course you plan on studying so make sure you do your homework before you enrol in any course.

Accommodation Costs

See Accommodation Section.

Other Living Costs

There are of course other costs associated with living in Australia. Please take these into account. For example, the extra cost of the use of electricity, the telephone and gas on top of your rent. Approximate costs of other living expenses include:

Item	Approximate Cost
Groceries and eating out	\$140 to \$280 per week

Gas and electricity	\$10 to \$20 per week
Phone and Internet	\$15 to \$30 per week
Public transport	\$30 to \$60 per week
Car (after purchase)	\$150 to \$260 per week
Entertainment	\$80 to \$150 per week

47.0 LOST PROPERTY

Any articles found on College premises should be forwarded to the Student Services Officer. Perth College of Beauty Therapy does not take responsibility for loss of personal items. Please ensure your name is clearly written on all personal items, including your Student Workbooks and other items.

Any items lost that are imperative for completion of your course will need to be replaced at the student's expense.

48.0 MEDICAL PROBLEMS

Doctor's Visits

If you get sick, you may have to go and see a doctor. In Australia, you do not go to a hospital unless you are seriously ill. You go to your local doctor who will have a surgery near your house. Surgery hours usually start from 9:00 am and the surgery may be open all day. When you arrive, the receptionist will ask you for your OSHC card or book. Don't forget to take your OSHC Membership card when you go to the doctor's surgery. If you cannot leave the house, you can ring the Doctor's receptionist and make an appointment for the doctor to visit you, which will be more expensive.

If you cannot come to the College, the doctor will give you a medical certificate that describes what is wrong with you and says how many days you may stay at home.

Don't forget to give your medical certificate to your teacher when you return to class. You keep the original certificate and we will place a copy on your file.

In Australia, you only have to pay 15% of the cost of a visit to your local doctor, and if you are in a public hospital you do not have to pay at all. However, you may have to pay more to see a specialist or if you are in a private hospital. When you get a bill or receipt for medical service, take it with your medical card to your OSHC provider and apply for a refund.

Hospitals

Under OSHC you are covered for accommodation and/or treatment in Public hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or casualty department.

Public hospitals throughout Australia have emergency clinics where you can go at any time of the day or night in an emergency. Doctors at the hospital will attend to you.

Emergencies

For all emergencies that are life threatening, dial 000 from your telephone to be attended by the emergency service departments. This includes Fire, Police and Ambulance services, operating 24 hours a day. Please follow the steps below to get assistance as soon as possible.

- Ask the operator for the service you need
- Wait to be connected
- Describe the problem
- Be aware of your address or be ready to describe your location as clearly as possible
- Listen to any instructions given by the operator
- Do not hang up

Ambulance Service

Your Overseas Student Health Cover (OSHC) will cover costs for ambulance only when it is used in a state of emergency where medical attention is needed immediately. The costs for an ambulance used for non-emergency medical transport is not covered by OSHC.

First Aid/Medical

If a student is ill or injured and needs help please contact any member of the College staff, as First-Aid cabinets are available on the premises. The College is not permitted to provide or administer medication to any students.

Students must report all injuries, accidents and near misses to their trainer or a staff member.

Students who suffer from a serious illness or allergies or who are required to take medication daily should advise the Student Welfare Officer for any assistance or special arrangements.

49.0 MOBILE PHONES AND MP3 PLAYERS

51.0 OVERSEAS STUDENT HEALTH COVER

Australia has a very modern and efficient health care system. It is subsidised by the Australian Government. Overseas Student Health Cover (OSHC) is a type of insurance that allows you to use the Australian healthcare system and it covers the costs for any medical or hospital care which you may need while studying in Australia. It will also pay

for some prescription drugs and emergency ambulance transport.

If you are an international student, you must be covered by OSHC from when you arrive in Australia and for the entire duration of your stay, in line with Condition 8501 of your student visa. This can be organised by Perth College of Beauty Therapy or yourself. If you are studying at more than one educational provider and both are arranging OSHC, you will have to ensure that there is no gap between policies. This means that as one policy expires the next commences immediately.

You can find out more about purchasing Overseas Student Health Cover at the website <http://www.studyinaustralia.gov.au/global/live-in-australia/insurance> or by speaking to Perth College of Beauty Therapy Marketing and Admissions Staff.

- a. the learner will be placed into an equivalent course such that:
 - the new location is geographically close to where the learner had been enrolled; and

 - the student failed to pay an amount payable to the provider for the course;
 - the student breached a condition of his/her student visa;
 - misbehaviour by the student (Note: the student is entitled to natural justice under subsection 47A(3)).

Note: Subsection 47A(2) - A student does not default for failing to start a course on the agreed starting day if he/she does not start that course because the provider defaults in relation to the course at the location under subparagraph 46A(1)(a)(i).

What Perth College of Beauty Therapy must do in the event course not being delivered-

This may include placing students who are referred to the TPS in a suitable alternative course. If a student choose to be placed into another course, **Perth College of Beauty Therapy** will ask student to sign a document to indicate that the student accepted the placement.

What Perth College of Beauty Therapy must do if a student or intending student defaults-

- If a student or intending student defaults, **Perth College of Beauty Therapy** must provide a refund in accordance with the requirements under either section 47D or

Policy

Students having a significant amount of training and/or work experience within the field that is relevant to a course offered by **Perth College of Beauty Therapy** may be eligible for Recognition of Prior Learning (RPL).

Perth College of Beauty Therapy ensures that any applicant for RPL is provided with the following:

- assistance to understand the RPL assessment process;
- assistance to identify the learning or competency outcomes associated with their prior learning and identify areas where claims for RPL might be made;
- advice on the format of applications including the gathering of valid, current, sufficient and reliable evidence and the authentication required;
- advice on whether further evidence is required, providing advice on the learning or competency outcomes against which students will be assessed.
- information about the competencies and performance criteria relevant to their RPL application
- information and support to enable them to gather reliable evidence of competency
- opportunities to obtain feedback on the evidence proposed prior to finalisation of the application

Students must complete an application form for RPL and attach supporting evidence as required. This evidence must be clearly identifiable, and support the applicant's case for Recognition of Prior Learning by addressing the relationship of evidence with each Unit of Competency.

The student may not need to complete all of the units in a course enrolled if his/her competencies are recognised through the RPL process.

Procedures:

To apply for recognition of prior learning the applicant will need to read **RPL Instructions for Students** and complete the **RPL Application Form** that is available from the Campus Reception and provide supporting evidence.

Perth College of Beauty Therapy Course Coordinator will give advice to the applicant on completing the RPL application form and gathering reliable evidence.

Applicants will be encouraged to discuss the requirements and the types of evidence they are thinking of presenting prior to submitting the application.

Any applicant for Recognition of Prior Learning is provided with:

- a. Information about the competencies and performance criteria relevant to their Recognition of Prior Learning application
- b. Adequate information and support to enable them to gather reliable evidence of competency
- c. Opportunities to obtain feedback on the evidence proposed prior to finalisation of the application
- d. Applicant who are eligible for credit transfer will be granted Credit Transfer status and will be subject to the Credit Transfer Policy and Procedure.

It is accepted that RPL is an assessment of an individual's current knowledge, skills and attitude even though the evidence produced in support of the claim for recognition may be drawn from the past. It is up to the RPL Assessor to use his/her professional judgment (based on Training Package

Assessment Criteria in general and each Unit of Competency in particular) whether the evidence produced demonstrates current knowledge, skills and attitude required in the Training Package and Units of Competency.

Evidence may include but not limited to:

- interview/professional conversation
- observation and questioning including workplace visits
- portfolio of work, which may include completed assessment items from previous study
- supplementary assessment tasks or challenge test (oral, written or practical)
- authentication of evidence by supervisor or employer
- The assessor must ensure that the evidence is authentic, valid, reliable, current and sufficient.

The application will need to be submitted at the Campus Reception who will forward the application to the Campus Manager

The Campus Manager will assign a Training Officer or Course Coordinator who will assess the completed RPL application and the student will be advised of the decision accordingly. Further information or an interview with the student may be required before evaluation of the application is completed.

The completed RPL Assessment Form must be signed by the student and the Training Officer.

Granting of RPL must be recorded as an outcome in the student file using the RPL - Record of Results and signed by Campus Manager.

The Campus Manager/Course Coordinator will inform the Admissions Staff/Student Support Officer about the outcome of the RPL application.

RPL application documentation, assessment processes and outcomes are placed in the student's academic file.

After RPL is granted a student's course schedule must be reviewed and modified to ensure a full-time load and details of this placed in the student's administration file. If the RPL outcome leads to a shortening of the student's course:

- a. if the course credit/RPL is granted before the student visa grant, the **Perth College of Beauty Therapy** Student Support Officer will indicate the actual reduced course duration (as reduced by course credit) in the confirmation of enrolment issued for that student for that course, or
- b. if the course credit/RPL is granted will affect the duration of the course, the **Perth College of Beauty Therapy** Student Support Officer will record a change of course duration on PRISMS. This will result in the creation of a new CoE (with revised end date) and the cancellation of the original CoE.
- c. if the course credit/RPL granted will not affect the duration of the course, the Student Support Officer will record the course credit in the student's file but does not need to take any other action.
- d. if the course credit/RPL granted will affect the duration of the course, the Student Support Officer will record a change of course duration on PRISMS. To do this, the Student Support Officer uses the Student Course Variation function, and indicates that the student has requested a change to the existing enrolment.

The Student Support Officer then chooses 'transfer student into same course' and then changes the end date of the course. This process will result in the creation of a new CoE (with the revised end date) and the cancellation of the original CoE.

Unsuccessful applicants have a right to formally appeal the RPL assessment, through the Complaints and Appeals Policy and Procedure.

67.0 STUDENTS WITH SPECIAL NEEDS

In line with our Access and Equity practices, students with special needs are offered the same opportunities as any other candidate. Our training and assessment programs will take special needs into consideration from the planning stage onwards and adopt flexible learning and assessment methods as appropriate.

As special needs extend to more than identified physical or learning difficulties, Training Officers will need to consider the best approach when dealing with candidates with needs such as low literacy, lack of confidence or a non-English speaking background.

This is especially so in relation to assessment because one fundamental principle of an assessment system is that each candidate must have access to fair and open assessment. Depending on any specification given in the standards, the assessor may be able to accept alternative evidence from a candidate with special needs.

If there is uncertainty, the assessor will call on other assessors or a verifier for assistance and guidance, as required. In such a case, the situation must be fully documented, with appropriate feedback being provided to the candidate at all stages.

Flexible Learning Strategies and Assessment Procedures

Flexible learning and assessment procedures form part of our learning and assessment strategies and are integral to the concept of competency-based training. We customise our training and assessments to meet your specific needs.

If you have are having difficult achieving competency in any module please discuss the matter with your Training Officer and where possible alterative learning/assessment strategies will be provided to you.

71.0 TRANSFER BETWEEN PROVIDERS POLICY

Purpose:

International students who are currently enrolled with another Provider in Australia and are requesting to enrol to another Provider are generally categorised as 'Transfer Students'. For this purpose, these students need to be released by their current Provider by means of providing a 'Release letter' unless the student has finished six (6) months in their Principal Course of Study.

This policy ensures that **Perth College of Beauty Therapy** does not enrol any transferring international student prior to the completion of 6 months of their principal course unless that student has a valid letter of release agreeing to such a transfer.

Policy Statement:

The **Perth College of Beauty Therapy** will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the completion of six months of their principal course of study except where:

- a. The original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered;
- b. The original registered provider has provided a written letter of release;
- c. The original registered provider has had a sanction imposed on its registration by the Australian Government or state or territory government that prevents the student from continuing his or her principal course; or
- d. Any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

After completing six calendar months of the principal course, an overseas student can transfer without needing to meet one of these conditions.

All applications from current **Perth College of Beauty Therapy** students to transfer provider will be assessed in a timely manner and as per the procedure outlined below.

Scope:

This policy applies to:

- International students enrolled at **Perth College of Beauty Therapy**
- **Perth College of Beauty Therapy** Marketing, Admissions, Academic, Student Services and Administrative staff.

All staff are made aware of the requirements of this policy through regular meetings, Staff induction, staff updates and continuous improvement practices. Students are made aware of the transfer requirements through Student Handbook, during the enrolment and orientation processes and also throughout the course.

Definitions:

- **Incoming student:** Any student who is currently enrolled with another education provider and is willing to transfer their studies at **Perth College of Beauty Therapy**.
- **Outgoing students:** Any student who is currently studying with **Perth College of Beauty Therapy** and is willing to transfer his/her studies from **Perth College of Beauty Therapy** to another provider.

The following procedures have been separated into 'Incoming students' and 'Outgoing students'

2. PROCEDURES:

2.1 Incoming students

The following procedure is relevant to any student who applies for a course within the **Perth College of Beauty Therapy** scope of registration and is currently studying on-shore with another registered provider.

For this procedure to be completed, the applicant must provide a copy of their Student Visa and COE number from previous provider to search for student's personal details into PRISMS. Once this information is obtained the following steps are taken:

- I. Campus Manager accesses the student personal details via PRISMS.
- II. Using the copies for COE / Offer letter from student's current education provider, Campus Manager will ascertain if the length of studies completed in their current principal course of study is greater than 6 months. They may also request the copy of the student visa & the passport to ascertain student's arrival date to Australia.
- III. In completing this process a copy of the PRISMS record will be printed and will be attached to the student's application.
- IV. If they have completed more than 6 months of their principal course of study, the application process will be finalised as per **Perth College of Beauty Therapy's** policies.
- V. Where a student has **NOT** completed 6 months of their principal course of study, they will be advised to provide an appropriate letter of release from their current education provider unless any of the conditions (a-d) as listed under policy statement are applicable.
- VI. To support with the release letter application, student may be provided with a 'Conditional' Letter of Offer (Appendix A) which clearly states that an offer of a place is contingent on applicant obtaining a letter of release.

Note: Where a student is in receipt of a Government scholarship, he/she should provide written support from the government agreeing to the change which will stand in lieu of any letter of release.

- VII. If such a letter of release is received and the student has no outstanding fees to be paid to the prior institution or other outstanding matters of concern, the application will be finalised as per **Perth College of Beauty Therapy's** policies.
- VIII. If satisfactory letter of release is not obtained from such students, the application process will be halted and the student will be informed that they are unable to

transfer at this time. They are welcome to re-activate their application when the six month period into the principal course of study is passed.

2.2 The National Code 2018 restricts the capacity of students to transfer to other providers prior to completing six months of their principal course. **Perth College of Beauty Therapy** will not allow students to transfer to another provider within six months of the commencement of their principal course of study in circumstances where the transfer would be detrimental to the study plan as detailed in their application. Circumstances that are considered detrimental to a student's study plan could be but are not limited to:

- Change in Study Plan
- Transfer to a lower level of studies
- Increased tuition costs, particularly in cases where deposits paid in advance to **Perth College of Beauty Therapy** are non-refundable
- Increased duration of studies in Australia
- Insufficient preparation for further studies
- Qualifications not recognised by Higher Education Providers as satisfying their entry requirements
- Level of support services at new provider are not equivalent to **Perth College of Beauty Therapy's** support services
- Transfer would jeopardise student's progression through a package of courses
- Within 6 months of a course beginning students may experience homesickness and transfer to another registered provider is not likely to overcome this problem
- Where **Perth College of Beauty Therapy** is of the view that the student is avoiding being reported to Department of Education and Training and Department of Home Affairs (DHA)

via PRISMS as a result of failure to meet academic progress requirements

Any requests that are received in relation to a student wishing to transfer education providers shall be the responsibility of the Campus Manager. The Campus Manager shall assess the applications to transfer education providers and conclude an outcome based on the following procedure.

Perth College of Beauty Therapy will approve a Release request when the transfer is in the student's best interests if:

1. A course is academically unsuitable for a student, e.g. where a student is better suited to a different learning environment or the course does not meet his or her

- educational or developmental needs or the student is unable to achieve satisfactory course progress at the level they are studying;
2. The course as outlined in the written agreement has not been delivered;
 3. The student provides evidence that his or her reasonable expectations about the course are not being met;
 4. The student provides evidence of being misled by Perth College of Beauty Therapy or Perth College of Beauty Therapy education or migration agent regarding the provider or the course and the course is therefore unsuitable;
 5. An appeal on another matter results in a recommendation or decision to release the student; or
 6. Compassionate or compelling reasons for the transfer exist.

As required by ESOS National Code 2018, Standard 7, before the Release approval is given:

1. The student must present a valid letter of offer of enrolment with the receiving provider; and
2. If the student is under the age of 18, written evidence is required that:
 - The student's parent or legal guardian supports the transfer; and
 - The receiving provider must confirm it accepts responsibility for approving a student's accommodation, support and general welfare.

Refusal of release approval

In accordance with ESOS Act and National Code 2018, Perth College of Beauty Therapy will refuse Release approval and inform the student in writing of the reasons for the refusal when the transfer does not satisfy the student's best interests as set out in this policy.

In addition, grounds for refusal also include when:

- A student has unpaid course fees for the current study period;
 - A transfer would jeopardize a student's progress through a package of courses;
- or
- A student requires or has access to particular support services that will not be delivered by the receiving provider or accessible by the student following the transfer.

The Perth College of Beauty Therapy will assess and respond to the application within 10 working days.
